K2000

Product Description

The K2000 is a Class AB Stereo Amplifier. The
high power of 2x 1000W@8ohms come out from a
compact 2U enclosure in 19" standard rack mount
size.
A LCD display gives information about temperature
status and potentiometer gains.
Inputs are XLR, while Outputs are SPEAKON or
clamp terminals.

Technical Data

Description:	Class AB Stereo Amplifier
Configuration:	Transformer Power Supply
	Fan Cooled Class AB Circuit
Frequency Range (+/-0.5dB):	20Hz - 20kHz
Sensitivity/Gain:	40.3dB@0.775V
Output Power:	2x 1000W@8ohms
	2x 1410W@4ohms
	2x 1570W@2ohms
Connectivity:	Output 2x SPEAKON NL4 type, Clamp Terminals
	XLR Inputs
Dimensions (WxDxH):	483mm (19") x 372mm x 88mm (2U)
Weight:	15.5kg
